Dear Community Council Chair/Secretary,

**FIFE DEVELOPMENT PLAN SCHEME – NINTH EDITION**

Please find enclosed the latest version of the Fife Development Plan Scheme. The Development Plan Scheme outlines progress on the development plan (Strategic Development Plans, Local Plans and Local Development Plans) and the preparation of supplementary planning guidance, development frameworks and development briefs.

The Development Plan Scheme contains information about public engagement on Fife's development plan to date, and includes an indication of proposed engagement for FIFEplan 2. The form and scope of FIFEplan 2, consultation arrangements and timescales will be dependent on the outcomes of the current national planning review and any related transitional arrangements.

I hope you find the Development Plan Scheme of interest. If you have any questions please do not hesitate to contact me. A paper copy of the Development Plan Scheme has been sent to libraries within Fife for public display.

Yours sincerely

Ben Ellis  
Planning Officer (Development Plan)
